Dear Ladies,

We once again find ourselves in the position of having to cancel our meeting for September. It is difficult to believe how life has changed since we heard of Covid 19: people working remotely via their computers, children having to be home schooled, wearing masks, using QR codes, and the tragedies of severe sickness and loss of life. Hospital resources are overstretched, and many businesses have had to shut down.

So we should count the many blessings we have. With modern technologies, we can “zoom” or “Facetime” our families and friends, and most of us are very far from the difficulties of those on the front line. We are safe if we follow the rules.

Spring has arrived with the most spectacular sunshine. It is such a great pleasure to be out and about, whether walking, gardening, or just sitting in the sun and reading. And if you get sick of all that, watch something via one of the many streaming services. Lots of series to get you addicted!

Stay safe everyone, wear those masks, sanitise those hands, and stay at home. Maybe next month..... or the one after...if you are vaccinated!

Our two little dogs, enjoying the sun

Happy birthday September Ladies
