WELCOME TO PROBUS 2025!

We begin with some very interesting news:

For our March meeting, which is also our AGM, we will be flying high! We have been very fortunate to gain the services of Matt Hall as our guest speaker. Matt will be talking about his airforce career and what led him to become the reigning Red Bull Air Race champion! He is a third generation pilot whose life in aviation has seen intense military combat, multiple near-death experiences and immortalisation in the fastest motorsport on the planet.

We hope you will be able to attend. Matt is not only an inspirational speaker, but this is also a very important meeting at which we will elect our new committee for 2025. Remember, you can still nominate for the committee by filling in a form and handing it to the Secretary at our February meeting. Please, consider doing so! You will be made most welcome.

Fees for 2025 will also be discussed and voted on at our AGM, so please do not pay your annual fee until this matter has been decided.
